## **OBJECTIVES:**

The most important fact for me in any job that I am being employed in is to accomplish it with all confidence. I strive to use my computer skills to create and develop a platform where computer task will be achieved effectively. Whenever there is a need to improve in my work or find myself lacking some knowledge or skills in the work that I am to do, I will be very happy to learn something new and adapt to the current changes, hence it enhances my career. Meanwhile, I want to be an integral part of a competitive work environment, which would help me to grow, both the intellectual and front, thereby contributing to the growth and success of the organization to the best of my ability.

### **SKILLS:**

- HTML (5)
- CSS (3)
- Graphical Designer
- Preparation of documents using Ms Word
